WHO'S THERE FOR YOU WHEN YOU HAVE A CLAIM?

24-HOUR EMERGENCY SERVICE

(847) 656-3322

WE'RE THERE FOR YOU WHEN YOU NEED US MOST!

Will Your Agent Be There?

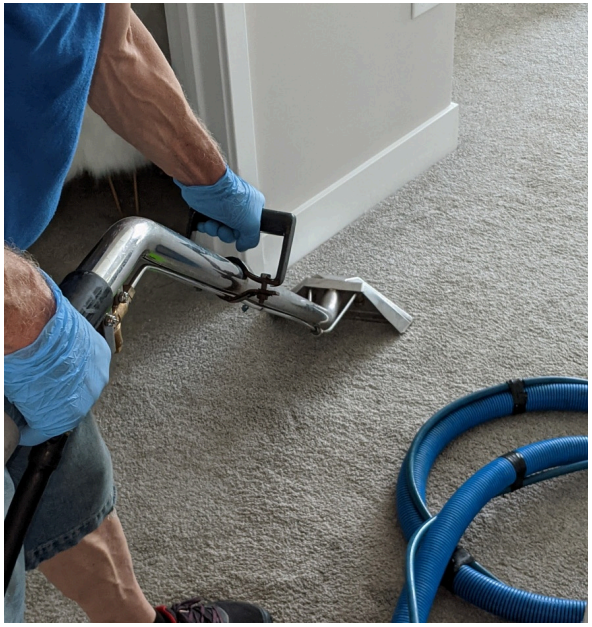

You expect great service from your insurance agent. After all, advertising from major insurance companies promises that your agent will be there for you when you have a loss.

But, when you have a loss will they stand with you or send you off to some distant call center to have your claim handled by a faceless drone who knows nothing about you and your situation?

WHAT HAPPENS WHEN YOU HAVE A CLAIM?

An important part of our relationship with our clients is that we are there for them when they need us the most, which is when they suffer the trauma of a property loss. We feel that giving a valued client an 800 number and a "good luck" is simply unacceptable.

Instead, we go the extra mile to make sure that you don't have to go through the trauma of property damage alone. That's why we have a special relationship with GCPRO Restoration to make sure you get the highest levels of quality and service.

And, they perform some very special extra services for you for free because you are one of our clients!

WHY GCPRO RESTORATION?

Having to file a claim related to fire or water damage can be an extremely stressful situation, especially if you have lost items that carried sentimental value to your family.

We trust GCPRO Restoration with our clients because they will walk you through the entire process step-by-step. They also:

- Provide an enhanced inspection so you can make important decisions about your claim.
- They work to get you back to normal fast and at lower costs to preserve policy limits.
- They understand what you are going through and exercise care and compassion.
- They perform their services to protect the health and safety of your family and preserve your property's value.
- They cause minimal intrusions during what is hopefully a once in a lifetime event for you.
