EMERGENCY RESPONSE PROGRAM

Nobody Knows the Future, But You Can Prepare for It!

ANOTHER LAYER OF RISK MANAGEMENT PROTECTION PROVIDED FREE BY YOUR INSURANCE AGENT

When it comes to disaster planning for commercial properties, it's not a matter of "if" disaster will strike; it's a matter of "when". Having a plan in place can mean thousands in savings and getting back to normal operations far faster.

We've entered into a strategic relationship with your insurance agent to help protect their clients from damage caused by water, fire, storms, vandalism, etc. Your agent has arranged for us to create a FREE Emergency Response Program (ERP) for your property—because you are their client!

01

WE ARE THERE FOR YOU BEFORE WITH A PLAN

- We will create a FREE Emergency Response Program (ERP) for your property.
- This plan allows us to gather advanced knowledge on your property before disaster strikes so we can respond quicker and take immediate action in restoring the property faster, thus saving you costs, headaches, and protecting you from downstream liability.

02

WE ARE THERE FOR YOU DURING A LOSS

- You Receive Priority Response in the Event of an Area Wide Disaster or Storm
- Our Mitigation Focus Gets the Job Done Faster and Dramatically Reduces Costs
- We Keep You in the Loop with Outstanding Communication & Documentation
- We Function as Your Claims Concierge to Simplify the Process and Reduce Stress
- We Manage the Minutia So You Don't Have To!
- We Take Steps to Manage Liability & Prevent Public Relations Nightmares

03

WE ARE THERE FOR YOU AFTER

- With a Certificate of Professional Restoration which proves the job was done to the Standard of Care and protects you from downstream liability and sick building issues (real or imagined).
- With a thorough debriefing after any loss to review all aspects of the restoration.

HOW DO YOU OBTAIN YOUR FREE EMERGENCY RESPONSE PROGRAM?

Simply call GCPRO Restoration at **(847) 656-3322** and we'll get the process started. You'll sleep better knowing you have an additional layer of protection!
