RISING WATER/SEWER BACK-UP/SUMP PUMP FAILURE COVERAGE

Often times, a rider to protect you from losses originating from sewer back-ups, sump pump failures or septic system overflows are not included in the standard homeowner's policy.

If Your Home Features a:

☐ Basement ☐ Septic Tank/System ☐ Sump Pump

We Suggest: Checking with your agent to make sure you are adequately covered for rising water damage.

COVERAGE BASED ON GEOGRAPHIC LOCATION

Sometimes, our customers are not adequately covered in the area they live.

Based on where you live, your home might be affected by:

☐ Floods ☐ Tornado/Wind ☐ Hail/Roof ☐ Earthquake

We Suggest: Checking with your agent about additional coverage based on the area you live in.

BUNDLED COVERAGE

Be sure to ask your agent about saving money by bundling your coverage! (Ex: Home, Auto, Life, Business, etc.)

COVERAGE LIMITS AND GAPS

Often, policyholders are not sure how much their home is covered for, how much it would cost to rebuild after a total loss and what their policy would actually pay in the event of a total loss. Additions to your home or other upgrades may have been made but your policy limits not increased. Other coverage gaps may include "Law and Ordinance" which covers costs of required upgrades to meet current building codes, Landslides/Subsidence, Expansive Soils and damage resulting from outdoor pools.

Based on where you live, your home might be affected by:

- ☐ Total Coverage Amount
- ☐ Law and Ordinance
- ☐ Landslides/Subsidence
- ☐ Mold Limits
- ☐ Expansive Soils
- ☐ Pool
- ☐ Recent Addition

We Suggest: Discussing these issues with your agent to understand whether you are adequately covered for these significant risks.

CONTENTS

Many people underestimate the amount of coverage they need to cover their contents, generally described as personal possessions or items that you would take with you if you moved.

You may need additional coverage to protect a number of categories of personal property that your standard homeowner's policy may not adequately cover.

These categories Include:

- ☐ Computers/Electronics
- ☐ Fine Art
- ☐ Firearms
- ☐ Jewelry
- ☐ Medical Equipment
- ☐ Oriental Rugs
- ☐ Pets/Exotic Animals
- ☐ Sports Memorabilia
- ☐ Wine
- ☐ Valuable Documents/Papers
- ☐ Other

We Suggest: Discussing your amount of contents coverage and/or coverage for specific valuable collections with your agent.
